

News In the Neighborhood

East Shore Drive

July 5, 2014 – Sept 2014

Summer Has Arrived!

At last! Furnaces off...Bay Beach rides open...outdoor activities....picnics....and mosquitoes!

Lots going on in the neighborhood: houses for sale and sold as well as houses being raised to dike level/flood plain level. So, hats off to new neighbors! If you live next to these new neighbors at:

- 2011 Lakeside Place
- 2615 East Shore Drive
- 2635 East Shore Drive

Please take the time to be neighborly. Stop by and welcome each newcomer to living on the bay in the East Shore Drive Neighborhood!

Invite them to join you at the next neighborhood activity!

What's coming up next?

Check the calendar of events

for the summer season in the neighborhood on the last page of this newsletter.

Or view the Calendar of Events for the East Shore Drive Neighborhood Association on its Web page: greenbaywi.org/eastshoredrive

April Workshop on Phragmites

Thanks to all of you who attended the April Phragmites workshop to learn about how/where these plants came from and what they are doing to your shoreline property.

If you are still interested in having your specific shoreline property sprayed/controlled by an authorized DNR vendor, contact Trudy at 920 465-0106 or tjacobsot48@gmail.com before July 12 to have your shoreline evaluated/included in a shared cost spraying activity this fall.

The more....the cheaper.....

Green and Gold Garbage Bins Delivered

Did you come home the other day and find a green and gold bin in/near your driveway?

Read the printed instructions carefully about the use of the bin as well as all other detailed information provided.

Bin too big for you? Send in

your blue card by July 9 for an exchange.

Mandatory use starts July 7!

Review details about:

- Mandatory automated trash collection (yellow)
- Bulk household

- items (brown)
- Overflow trash and bulk collection (white)
- Curbside Placement
- Recycling Calendar
- Cyber Green
- Public Works Regulations (green)

Special points of interest:

- 2014 Mini-grant Award for Phragmite Control
- CSI Alert: Car Break ins
- Fundraisers for ESDNA & GBNLC
- Annual Meeting & Corn Roast
- Trash Collection

Living on the Bay News in the Neighborhood

*Help to clean-up the ditch!
When walking your dog,
please carry 2 bags: one to
pick up litter (cans, bottles,
paper, discarded Mc
Donald's cups) and the
other for...you know what!*

CSI Crime Alerts for the Neighborhood

At the June 2014 Leadership Council meeting for all Green Bay Neighborhood Associations, the Community Service Interns (CSI) working in the East Shore Drive area reported on recent thefts from unlocked car vehicles or even break-ins to cars.

They also mentioned some thefts from garages with open doors.

The CSIs encourage all neighborhood residents to:

- Remove all personal belongings from your car, especially computers, tablets, or cell phones.
- Lock ALL car doors even when parked in a garage.
- Close all garage doors even if you're just leaving for a brief time.
- Install motion lights or spotlights near

the garage and entrance to the house @ end of long driveways.

- Report all thefts to CSIs @ 920.606.7999

Summer is a busy time in the neighborhood with ongoing visitors to the Wild Life Sanctuary and Bay Beach. Note the increased traffic to the Yard Waste Drop-Off site. Also watch your speed on Lakeside Place due to the increase of bikers/walkers.

2014 Mini-Grant Awarded to ESDNA for Beautification Efforts

The city of Green Bay awarded a 2014 mini-grant of \$1700.00 to the East Shore Drive Neighborhood Association to be used in activities for Protecting, Creating Natural Beauty in the neighborhood.

Activities outlined in the grant to be completed during 2014 include:

- Purchase of plants and planting at two neighborhood signs.

- Hiring of Endeavor Environmental Service to spray/clear phragmites in the ditch between the fence line of the Wild Life Sanctuary and the road on the south side of East Shore Drive from Irwin Ave to Nicolet Drive.

In addition to these activities funded by the 2014 mini-grant, the board is interested in making additional individual beautification awards from its 2013

operating budget. Individual residents who enhance the neighborhood through mailbox plantings or front yards are eligible. Decorating to celebrate special occasions, such as Halloween or Thanksgiving during 2014 are also eligible.

ESDNA Awards will be presented at the fall/October "Walk the Ditch" clean-up event.

Stepping into the "Cyber" World

Have you ever looked at the ESDNA website?

Working with the aid of Caitlin Green, the student intern for the Neighborhood Services office at the city, we've updated the web site by adding a list of current Board members.

In addition, we created a "brag board" with a picture of our Little Library that was funded through the 2013 Mini-Grant.

View the ESDNA mission statement. And, watch for eventual postings of the newsletters as well as a

special place for the yearly calendar of events.

Eventually we'll be posting agendas for the Board meetings as well as minutes of the meetings. Check it out!

News In the Neighborhood

Fundraising Activities for ESDNA

All neighborhood associations are required by the Green Bay Neighborhood Leadership Council (GBNLC) to raise at least \$250.00 to apply for its annual operating grant.

The East Shore Drive Neighborhood Association (ESDNA) raises these funds

in several ways:

- Sale of ads in its quarterly newsletter
- Brat fries
- Personal contributions

To apply for its 2014 operating grant, ESDNA has scheduled two upcoming Brat Fries to be held at University Market on:

- July 26 9 - 4
- Sept 20 9 - 4

WE ARE ASKING FOR YOUR HELP! Can you offer us:

- one hour to sell brats?
- one hour to set up or take down?
- one hour to help John cook?

----- YES, I can!

Annual Meeting and Corn Roast Picnic Gathering

Mark your calendar!

Sunday August 24 from 2 - 6 PM with a rain date of Sunday September 7 from 2-6 At Lakeside Place Park Shelter.

Gathering will begin at 2 PM with grills started up by chef John; hand cranking of homemade ice cream by nostalgic adults.

ESDNA will provide corn on

the cob, hamburgers, hot dogs, and brats along with water and cold fruit juices.

Contributions of salads or your favorite picnic fare such as beans, potato salad, three bean salad or relishes are appreciated.

Annual meeting starts at 3 PM and runs for 30 minutes with only 3 agenda items:

1. Election of Board members for 2014 - 2015.
2. Dan Lindstrom, city Planning Dept to share information about University Corridor plans and potential impacts on East Shore Drive.
3. Eat and Enjoy!

Chat with neighbors. Let the board know issues/concerns.

Thanks for Ben's Wish Food Donations

Thanks to all of you who stopped by the Lakeshore Place Park shelter to drop off your non-perishable food item. By the end of the afternoon close to 150 items were collected representing an 83% contribution rate from the East Shore Drive

neighborhood. Congratulations!

It was also a great afternoon to ask for updated addresses and emails and to ask individuals about their interests and needs. Thanks to board members

John and Tom who staffed the drop off and especially John for the use of his big red truck!

We even donated a bottle of water to a familiar bicyclist, Mayor Schmitt, who stopped by on his way to the Zippin!

Message from the GBNLC board members

Hello neighbors! As you may or may not know all neighborhood associations are connected through the Green Bay Neighborhood Leadership Council (GBNLC). The GBNLC is a charitable organization that works to improve the quality of life in neighborhoods by empowering citizens working through their neighborhood associations. The GBNLC meets once a month and its members consist of the president or other designee of each neighborhood association, as well as other appointed members.

The GBNLC functions through private dollars. Every three years the GBNLC has a capital campaign to raise funds to empower the neighborhoods and the people in them. The last campaign was in 2009 and raised \$410,000. Well, it is time for another capital campaign! The goal for this campaign is \$500,000! Of the money raised from the campaign, almost 97% goes straight back to the neighborhoods; about 3% goes to neighborhood outreach staff. We need your help! This campaign will benefit you by providing for neighborhood development, crime and safety prevention, and leadership development. The operating grants, mini grants for special projects, neighborhood association signs, community service interns that work with GBPD and much more are funded through the private dollars. If you feel so inclined, there is a pledge card attached below. Please make your pledge with the enclosed card and mail it to the Greater Green Bay Community Foundation at 310 W. Walnut Suite 350, Green Bay, WI 54303 by November 1, 2014.

Mission & Purpose of GBNLC

Mission Statement

The Mission of the Green Bay Neighborhood Leadership Council is to improve the quality of life in neighborhoods throughout the City of Green Bay by empowering citizens working through their Neighborhood Associations.

Purpose

The GBNLC is organized exclusively for charitable purposes under IRC § 501(c)(3) and seeks to lessen the burden of local government and lessen neighborhood tensions.

The GBNLC shall seek to accomplish these goals by empowering official Neighborhood Associations with focused leadership training, opportunities to exchange educational and general information, financial support, and opportunities to enhance the City through special projects.

East Shore Drive residents. We have benefitted in 2013 and 2014 so far with Operating Grant monies of \$1,800.00 as well as Mini-grants totalling another \$2600.00 to the neighborhood.
Consider donating what you can!
